

BLACK ROCK PRIMARY CLASS PARENT PROGRAM

Black Rock Primary School

Welcome to Black Rock Primary School

We have a Class Parent Program that we are very proud of. This Program provides a support to each class teacher. It involves volunteer parents acting as a liaison between teacher and parents. It provides a mechanism whereby the teacher can get extra help for a variety of activities in and out of the classroom. Black Rock was one of the first schools to develop this program and it remains one of our most valuable programs.

Roles of the Class Parent Representatives:-

- The class parent representative is responsible for collating a class list of the students in the relevant class. The list includes each child's name, the names of their parents, addresses, email and phone numbers. The class list is beneficial especially to new families.
- The rep is also responsible for assisting teachers with major events, this year it's the Fete in October.
- The class parent representative is also invited to attend fundraising meetings. Each year level is responsible for helping to organize a special fundraising event during the year. These events are discussed at the first fundraising meeting held early in Term 1.

If you are interested in being a class rep please speak to your child's teacher or Jayne Timms.

All parents will be advised of their class parent reps early in term 1.
