Black Rock Primary School

Dear Parents/Guardians,

Each year we ask parents to sign a number of permission forms so their children can participate in, or be considered for, a range of activities. This form combines a number of permissions onto one form for your convenience.

Please read the permission forms below and over the page, and sign each of those where you agree to give permission. Teachers will keep this form as record of your permission (or otherwise) for each of the items.

Name of Child: _____ Grade: _____

Parent's/Guardian's Names: _____ Date: _____

MINOR EXCURSIONS OUTSIDE THE SCHOOL GROUND

From time to time minor excursions are arranged to places of interest located near the school, e.g., parks and shopping centres, etc. Whilst children are always under the supervision of teachers on these excursions, parents are still required to sign the form below giving children permission to participate.

PERMISSION TO PARTICIPATE IN MINOR EXCURSIONS

I give permission for my child _____ to be involved in all minor excursions out of the school boundaries.

In the event of any illness or accident, I authorise the obtaining on my behalf of such medical assistance as my child may require. I accept all operation, blood transfusion and/or anaesthetic risks involved and the responsibility for payment of any expense thus incurred.

CHILDREN'S IMAGES

From time to time children at Black Rock will be involved in school activities where they may be photographed. Images of students may be used in the press to celebrate a student's success, in a particular area or to promote activities at the school. Non-identifying (only first name/year level published) images of children are also used in school brochures, newsletters, website, official school Facebook page and Compass Newsfeed, as well as other promotional material.

The majority of parents are happy for their child's image to be used and their children enjoy seeing their images in the press and on school publications.

We need parental permission to publish children's images on specific platforms. No child's image will knowingly be published without parent permission.

We are asking that parents opt-out of having their child's image used on specific platforms by checking the box next to those platforms which they DO NOT wish to have their child's image used on.

PERMISSION TO USE CHILDREN'S IMAGES

I give permission for images of my child _____ to be used in material that will be seen by people outside the immediate school community.

Signature of Parent/Guardian: _____

I DO NOT give permission for my child's image to be used on the following platforms (only tick those that you DO NOT give permission for):

- School Newsletter
- Compass Newsfeed
- School Website
- School Intranet
- Official School Facebook Page
- School Advertising Material
